EDITOR'S PREFACE

I hope that each student at Massachusetts College of Art will find this handbook useful during the year. It has been designed to place important information concerning the college and its activities within easy access in order that all may have accurate and complete knowledge of the official and extra-curricular programs of the college. However, knowledge of activities is only a first step. By actively participating in the Student Association, attending the social functions, joining clubs of interest, supporting the basketball team, and contributing to the newspaper, we will all come to know, understand, and enjoy a richer collegiate life.

Diane Hanoday

Dr. Robert L. Bertolli, President

PRESIDENT'S MESSAGE

This is a memorable year for Massachusetts College of Art. It is the college's 90th anniversary. On November 6, 1873, the first Freshman Class met (86 ladies and 47 gentlemen)—on September 16th of this year the passing of the years has brought to Massachusetts College of Art its 90th Freshman Class.

Records prove the existence and active functioning of student co-curricular programs since the very first year including the now famous Masquerade Ball and Christmas Banquet which will occur for the 90th time this year.

The Student Association, of which every student is a member, is now a real part of all college planning and a vital, enthusiastic partner of the administration and faculty. You are urged to cooperate in every way and to assume leadership in its affairs.

My very best wishes to the Student Association—a most happy and successful year to all!

Robert L Bertolli

Henry A. Steeger, Dean

DEAN'S MESSAGE

Over the span of ninety years, artistic modes have changed within Massachusetts College of Art but the success of students in attaining their educational goals has been determined constantly by those skills they have considered as important to master.

If your search is concerned with the manipulation of paint and brush, you will become expert in the use of such tools. If you are intrigued by unusual forms and arresting colors, you will become adept in their creation. If you are sensitive to life about you, and its meaning, you will reflect your understandings in each of your expressions.

But the development of such skills alone cannot provide the total interaction of mind and experience through which we gain insight. The Student Association and the various clubs make their contribution in the way of service and social life. They should not be overlooked nor neglected.

Henry A. Steiger

Dr. Kathryn A. Coghlan, Dean of Women

DEAN OF WOMEN'S MESSAGE

Once again, the Massachusetts College of Art opens its doors and extends its welcome to all of you who, like several millions of other young Americans, have embarked on a period of studying for future careers.

During your college years, you should profit as much as you can from all spheres of college life. As you acquire particular knowledge to utilize in your future professions, you will discover that, at the same time, you will be broadening your mental horizons and maturing as individuals.

Social life is also going to be part of your college experience. Contacts with fellow students will enrich your lives, furnish you with the welcome warmth of camaraderie, and may even provide moral support in some difficult moments.

The Student Association provides the means for these social contacts. Your active support of this organization will make it thriving and worthwhile for you and for others.

Katherine A. Coghlan

GENERAL INFORMATION

ACCREDITATION

Massachusetts College of Art is accredited by the New England Association of Colleges and Secondary Schools. It is a charter member of the National Association of Schools of Design and a member of the American Council on Education.

ATTENDANCE REQUIREMENTS

Regular attendance is one of the requirements of every course. If a student finds it necessary to be absent, he must furnish an explanation in writing on forms available in the Dean's office. Excuses must be presented on the first day of return to classes in order to be considered. In cases of absence where the excuse is not acceptable or is tardy in its presentation, penalties will be imposed. Three credit points for each hour of unexcused absence will be subtracted from the semester grade of the course involved.

Classes begin promptly at the time scheduled and students are expected to be punctual in their attendance.

A student whose absence is excused will be permitted to make up the work missed by arrangement with the faculty member concerned.

BULLETIN BOARDS

Information of importance and interest to students will be posted on bulletin boards. The bulletin board outside of the Dean's office will carry official notices to students. The basement bulletin board will carry current information pertaining to student activities.

All students should consult these bulletin boards daily.

CAFETERIA

The College Cafeteria is open Monday through Friday 9:30 A.M. to 2:30 P.M.

SCHOOL COLORS

The official school colors are Blue and Gold.

TELEPHONE CALLS

No student will be called from his class, except in a case of extreme emergency. However, messages for students may be left with the Dean's office and will be posted on the Student Bulletin Board. For the convenience of students a pay telephone has been installed at the head of the stairs on the second floor. All private calls should be made from this phone.

WEATHER

When inclement weather makes the closing of

school necessary, announcements to that effect are made over stations WBZ, WNAC, WHDH, and WEEI at 7:00 A.M. or shortly thereafter.

WITHDRAWAL PROCEDURE

In the event that a student wishes to withdraw from the College, he must fill out an official withdrawal form obtained from the Dean's office. Only after that form has been certified by the Dean, Librarian, Bookkeeper, and School Store, is the student's withdrawal approved by the President and the procedure completed.

PERMISSION TO WORK AFTER HOURS

Students who wish to work in the building after hours must receive permission from the office of the President. No student will be permitted to work after 4:30 P.M.

DEAN'S LIST

Students qualify who achieve grades of "B" or better in all subjects and an average of 3.50 quality points or better.

HONOR LIST

Students qualify who achieve grades of "B-" or better in all subjects and an average of 3.25 quality points or better.

EXHIBITIONS AND OPEN HOUSE

During the school year, exhibitions of student and professional work are shown at the school. The end of the school year is marked by a special showing of the work of the entire student body. At this time the school is open to the public.

LIBRARY REGULATIONS

The Library is open on each college day from 8:45 A.M. to 4:30 P.M. for the use of the students and faculty.

Quiet should be observed in the Library at all times.

Students have access to all open book shelf material and are expected to handle books, prints, and plates carefully. These books are expensive and cannot always be replaced. For material in the cases or storeroom, apply to a librarian.

Fountain pens may be used in the Library, but not open inkwells. Water colors may be used with the permission of the librarian. Tracing from books or plates may be done only with the use of transparent protective sheets to be obtained from the librarian.

Eating is not permitted in the Library.

CIRCULATION OF BOOKS, PLATES, AND MAGAZINES

Books, magazines, and plates are normally charged for one week. These may be renewed if not requested by other readers or in special demand.

Reference books and the latest issues of magazines circulate only to faculty on special request.

RESERVE BOOKS, requested by faculty for class reading assignments, circulate only overnight or for the weekend. If a book is out, a request may be made to the librarian who will hold it for a reasonable time when it is returned. RESERVE BOOKS will not be held later than 3:30 P.M. if it is desired by other borrowers.

The Library uses a modified Dewey Decimal classification and students should consult the catalog first when looking for books. If the desired material is not listed in the catalog or cannot be found on the shelves, consult a librarian.

Books and other materials taken from the Library will be charged by the librarians and should NEVER be taken from the room until this has been done. They should be returned promptly and checked off the student's card.

Books or magazines which have been charged out may not be passed from one student to

another. If a book is lost, the student to whom it is charged is responsible.

Return books and magazines directly to the Library.

Library books are State property. Students will be required to pay for any lost or damaged books and should report any loose or missing pages or plates to the librarian.

Librarians ..... Mrs. Anne F. Eskrigge
Mrs. Marion Woodward

PARKING REGULATIONS

All students who drive cars and use the rear of the school, regularly or periodically, must procure an official sticker from the President's office. Cars which do not have this sticker after the first week of school will be barred from the parking area.

1. All faculty and students using this area must have an official sticker. All cars entering the parking area will be checked daily.

2. The sticker should be adhered to the right front side window of the car.

3. Cars are to be parked only in the area designated by the painted white lines. Violation of this regulation will carry a first warning. A second warning will result in a loss of the sticker and the right to park at the rear of the building.

4. Cars are not to be left in the parking area overnight.

5. Every car must park in the corresponding space designated by the number on the sticker.

POSTERS

Students may not post any notices in the College building without approval from the Dean's office.

LOSS AND DAMAGE TO PROPERTY

The College assumes no responsibility for any loss or damage to the property of the students.

SCHOOL STORE

All the materials and books required for the course work in the College are available in the School Store. The Store is open 8:30 A.M. — 8:55 A.M., 11:45 A.M. — 12:15 P.M., and 3:05 P.M. — 3:45 P.M.

SMOKING AND FIRE REGULATIONS

Students are not permitted to smoke in the building. Violation of this rule is grounds for dismissal.

STUDENT WORK

The College reserves the right to retain two examples of each student's work each year to be added to the Permanent College Collection of Student Art.

REQUIREMENTS FOR PROMOTION AND GRADUATION

1. A system of quality points is in force at Massachusetts College of Art. Under the system, grades will be given the following values: A — 4 to 5; B — 3 to 3.9; C — 2 to 2.9; D — 1 to 1.9; E — 0.

2. The number of quality points a student receives in a course is determined by multiplying the total number of semester hours in the course by the corresponding number of quality points, e.g., a six-semester hour course with a rating of "4" has a value of 24 quality points. The average is computed by dividing the total number of quality points by the total number of semester hours.

3. The average of the grades required for graduation or promotion is (2.0).

Students with an average of less than two (2.0) must withdraw from the College unless permission to repeat the year is given by the Director of State Colleges on the recommendation of the President for such reasons as illness, home difficulties, etc.

4. Incomplete grades must be made up within eight weeks after the opening of the following semester. (No course may be marked "incomplete" unless 80% of the work has been done at the time of the discontinuance.)

5. The determination of quality points is made at the end of each College year and, excepting when the year is repeated, the number of points is not affected by grades in courses subsequently taken and passed.

6. "E" grades can never be removed, but the subjects in which they have been received must be repeated and passed, or, in the case of electives, other approved courses must be taken and passed either in approved summer sessions, or when possible during the regular college year. Continuing subjects, in which "E" grades have been received, must be successfully repeated before the student may take advanced work.
